

# CURRICULUM VITAE

---

**Name:** Raquel Urpi Bertran  
**Address:** Institute for Inorganic Chemistry,  
University of Erlangen-Nürnberg  
Egerlandstr. 1, 91058 Erlangen (Germany)  
**Telephone:** (+49) 9131-85-27381  
**Date of Birth:** 26<sup>th</sup> January 1977 (Vilafranca del Penedès)  
**Marital status:** single  
**E-mail:** urpi@anorganik.uni-erlangen.de

## EDUCATION

---

1981-1991 Col·legi del Carme, Vilafranca del Penedès (Spain), EGB  
(General Certificate of Education)

1991-1993 Extenció Vilafrana II, Vilafranca del Penedès (Spain), B.U.P  
(High school)

1993-1995 IES Milà i Fontanals, Vilafranca del Penedès (Spain) (High  
school)

1995-2003 Universitat Rovira i Virgili, Tarragona (Spain), Diploma in  
Chemistry Studies

2000-2002 Erasmus Student at Friedrich-Alexander University  
Erlangen-Nürnberg, Erlangen (Germany)

Feb. 2002 Masters project at the Friedrich-Alexander University  
until Aug. 2002 Erlangen-Nürnberg, Erlangen (Germany).  
Identification and localisation of environmentally relevant  
substances in mobile phones

since Dec. 2003 Ph.D. studies at the Friedrich-Alexander University  
Erlangen-Nürnberg, Erlangen (Germany), chair of Inorganic  
and Analytical Chemistry.

## PROFESSIONAL EXPERIENCE

---

Apr. 2001 until Jul. 2001	Student assistant at the Institute of manufacturing technology for material science at Friedrich-Alexander University Erlangen-Nürnberg (Germany)
Feb. 2002 until Aug. 2002	Training in quantitative inorganic analyses, studies especially with EDXRF  Recyclability and elemental composition of mobile phones.
Dec. 2003- Jul. 2004	Graduate assistant at the Institute for Inorganic Chemistry, Chair of Inorganic and Analytical Chemistry, Friedrich-Alexander University Erlangen-Nürnberg (Germany)
since Jul. 2004	Research associate at the Institute for Inorganic Chemistry, Chair of Inorganic and Analytical Chemistry  Supervisor of chromatography (GC-ECD/NPD) in the analytical chemistry working group  Supervisor and organiser for supplies of first year students' practical course in quantitative inorganic chemistry

## LANGUAGES

---

Catalan	Mother tongue
Spanish	Second language
German	Fluently spoken, high skills in reading and writing (intermediate degree)
English	Fluently spoken, high skills in reading and writing (upper intermediate)
French	Conversational

## COMPUTER SKILLS

---

Windows (95/98/NT/2000/XP), Microsoft Office (Word, Excel, Power Point), ChemDraw, ChemWin, ChemOffice, SciFinder, Online Database Research for literacy and chemicals, TurboChrom.
